It was advanced and argued, and the term made use of, in a letter to the New York Tribune, written from Fortress Mouroe some time before General Butler reached there, and before the subject engaged his attention. Subsequently the uestion of the status and treatment of efugee pegroes was the subject of conversation on the ramparts of Fortress Monroe, when a young ligutonant in the regular army,since dead, made what we believe was the very first speech, lasting about half a minute, in favor of the "contraband" idea,
